

REWARD MY DOG — Loyalty Club Policy

The **Reward My Dog Loyalty Club** is our way of saying thank you to our regular clients. Members earn Treats for every booking, which can be redeemed as money off future services.

How Treats are Earned

Members earn Treats in the following ways:

- **1 Treat for every £1 spent** on services
- **30 Treats** for each successful referral (when your referred friend completes their first paid booking)
- **20 Treats Welcome Gift** when you join

Treats are awarded automatically and applied to your account.

How Treats are Redeemed

Treats can only be redeemed once you reach the following reward milestones:

- **150 Treats = 10% off** (redeemable on any service)
- **500 Treats = £5 discount** (redeemable on any service)
- **1000 Treats = £10 discount** (redeemable on any service)

Rewards cannot be partially redeemed. Treats must be used once a milestone has been reached.

Once you reach **1000 Treats**, you must redeem your reward before earning additional Treats. Your balance will reset after redemption.

Validity of Treats

- Treats are valid for **6 months** from the date they are earned.
 - If no booking is made within 6 months, unused Treats will expire automatically.
 - Treats cannot be reissued once expired.
